Welcome to Beaver Nation!

Thank you for entrusting your student's education to Oregon State University. We take this responsibility seriously and ask that you join with us as partners in providing the very best learning and living experience for your student at Oregon State. The active involvement of parents and family members has always been a hallmark of an Oregon State education, and the relationship between you and the university — jointly responsible for your student's education — contributes to a special sense of community found nowhere else. Together, we can nurture and encourage your student to grow personally and academically.

Because you are an integral member of this partnership, we want to ensure you are informed about campus resources and contacts. This calendar contains important academic dates and deadlines, as well as support systems your student can access. Additionally, you'll find information about great campus traditions that you can enjoy with your student like Family Weekends and Homecoming. I encourage you to look through this calendar together to prepare for the upcoming year at Oregon State University.

Sincerely,

A handwritten signature in black ink that reads "Edward J. Ray". The signature is written in a cursive style and is positioned over a photograph of a university campus. In the background, there is a large green lawn, a paved walkway, and a brick building. A black lamppost with a glowing light is visible in the foreground.

Edward J. Ray, President

The Memorial Union, or the MU, was built nearly 90 years ago to memorialize students who fought in World War I.
